Marion County Federation of Women's Clubs Sponsors Second Annual Fine Arts Festival; Plants 40 Trees

The second annual fine arts festival sponsored by the Marion County Federation of Women's clubs became a civic project yesterday with the acceptance by Mayor W. C. Phillips of 40 Japanese cherry trees, the organization's contribution to the George Washington bicentennial observance and also a gift to the city. The trees have been placed along the north side of the boulevard opposite the Harding memorial.

The flower show, under the auspices of the conservation division, and the program of music, art, literature and music were presented in the First Presbyterian church.

The festival, which was attended by nearly 500 clubwomen of the city, climaxed the federation season and brought to a close Mrs. Harold K. Mouser's second year as head of the organization. She will be succeeded by Mrs. Grover C. Snyder, who received the gavel from Mrs. Mouser at the close of last evening's program. Awards in the various exhibits and contests were made and Mrs. E. H. Morgan, literature chairman, announced the winners in the second annual literary contest sponsored by the federation. The prize-winning short stories and poems were read by Mrs. Morgan and Mrs. Stephen Patcher.

Mrs. Snyder Presides
Mrs. Grover C. Snyder, conservation chairman of the federation, presided for the ceremony at the Harding memorial at 3 o'clock and the trees planted yesterday were dedicated to Mrs. Harold K. Mouser in recognition of her leadership as head of the organization.

Arthur S. Brooks, Boy Scout executive of the Harding area and secretary of the Marion County George Washington bicentennial committee, presided as master of ceremonies and the dedicatory address was delivered by Dr. Carl W. Sawyer.

Washington's love of trees was stressed by Dr. Sawyer. He pointed out the accomplishment of a threefold purpose on the part of the clubwomen with the completion of this particular project. "You have honored the memory of Washington, you have added charm to another memorable spot, the Harding memorial, you have honored the trees by giving them a choice position, you have honored the city and have dedicated yourselves to a program of beautification and embellishment of the city."

The first spadeful of dirt was placed around the tree by Mrs. Mouser. In her presentation she expressed the pleasure of the federation in being able to contribute to the city's beautification and stated the gift was the fulfillment of a long-cherished dream on the part of the club women. Mayor Phillips accepted the trees on behalf of the city and touched briefly on the life of Washington in his short talk. The invocation and benediction were spoken by Rev. James M. Fisher, pastor of the Lee Street Presbyterian church. Members of the Mother Sinner clubs of the city, under the direction of Mrs. Eugene H. Moore, sang "Mount Vernon Bells." The clubs, directed by Mrs. Moore also led in the assembly singing of "America." The poem, "Trees," by W. L. Kilmer, recited by Mrs. Rodney H. Hume completed the dedicatory ceremony.

The evening session was preceded by a social hour during which the clubwomen joined their own club or other groups for a box lunch. Tea and coffee were served by the social chairman, Mrs. W. O. Nippert and Miss E. Christine Rieck and members of their committee. During the social hour Fred Sababuck entertained with violin music accompanied at the piano by Dick Myers.

The program hour was resumed with the presentation of a one act play, "A Lady to Call," by Mrs. O. G. Stephenson, Mrs. Homer Waddell and Mrs. Frank M. Knapp, under the direction of Miss Emma O'Brien. Brown and included Mrs. T. R. Evans, Mrs. Rex Kilbourne, Mrs. Merle Hamilton, Miss Dorothy Briggs, Miss Hattie Houck, Mrs. H. C. Colley and Miss Ruth Starr. Members of the piano ensemble, Mrs. Harold K. Their other numbers were "Two Etudes in G Flat," Chopin, and "Coronation Scene" from "Boris Godunoff," Moussorgsky.

The Stars Say—
For Thursday April 28

A VERY lively and fortunate
day is the for a 11 days
from the dominant lunar and
mutual affect. The personal
matters are up most with
friendship, romance, and
social affairs being profit-
able and happy with an ele-
ment of interest of the un-
usual. Those in high places will
be ready to grant favors or
financial aid since furthering
the ambitions. It is a fair time
for renewing contracts or sign-
ing papers. A 11 days denot-
ing change is seen.
Those whose birthday it is
may anticipate a prosperous
progressive and happy year
with domestic social romantic
activities uppermost. A child
born on this day may have
all the practical as well as per-
sonal equipment for reaching
high places through its own
initiative and popularity.

ZoroLo
"REMOVE THE CAUSE—Nature Will Do the Rest"
WHY CONTINUE TO SUFFER WITH
ASTHMA

Mrs. Bertha Henry, 8 N. Adams Street, Mansfield, Ohio, writes:
For about fifteen years I have been troubled with Asthma and I have tried various treatments without benefit. Many nights I had to be propped up in bed to keep from choking and I suffered terribly.

A short time ago I started to take ZoroLo and after using three bottles of his wonderful medicine the Asthma has left me completely and I am happy to tell others of the marvelous results I have received from this new scientific treatment.

Mrs. Michael Sauer, 160 Polomar, Dayton, Ohio, writes:
In 1922 in 1918 I left me with a cough and asthma which continued to grow worse as the years passed. In the last four winters it was necessary for me to sit up every night. During this time I took serum treatments, chiropractic treatments and many medicines but nothing helped me.

My husband heard about ZoroLo and induced me to take it. Very soon after beginning this treatment I felt better and am happy to say that this is the first winter since 1915 that I have been able to lie down and sleep at night. Nor have I been troubled with the severe coughing spells nor confined.
